<b>Main Achievements:</b>	<ul style="list-style-type: none"> <li>• Outcome 1: completion of a study tour to learn about Domestic Violence Prevention and Control Framework in Spain by women parliamentarians, and dissemination of results of a study to review gender responsiveness of employment and labour legislations, and a study to review implementation progress of International Labour Conventions related to gender ratified by Viet Nam. Various training materials (on GEL, DVL, and Gender Mainstreaming in Promoting Child Rights) are being finalized for use in training, while gender mainstreaming training materials in the areas of information and communication, and education are being developed. Skills and knowledge of provincial law enforcement and justice sector officers to implement the DV law have been approved through trainings. Multi-agency collaboration framework to implement and monitor domestic violence prevention and control is also being finalized. The development of Monitoring and Evaluation framework for GEL and DVL is being developed in close consultation with stakeholders.</li> <li>• Outcome 3 by implementing a number of studies on ethnic minority women's access to legal services, situation of sex workers, and gender and remittances. The preliminary results of the National Study on Domestic Violence against Women in Viet Nam have been shared with selected stakeholders to collect initial feedback. The report finalization is on-going to prepare for the launch of the report in November 2010. The questionnaire for enterprise survey has been revised to make it more gender responsive. A study tour to Malaysia was also completed in March to learn about the Gender-related Development Index (GDI) for further use in Viet Nam. The compilation of data on children and gender equality for reporting on national and international commitments is being finalized</li> </ul>																																				
<b>Other important achievements</b>	<ul style="list-style-type: none"> <li>• Regular organization of meetings (February &amp; May 2010) by the Gender Action Partnership (GAP), a quadripartite policy forum promoting gender equality, and through support to three NGO networks to carry out grassroots studies and to share findings with policy makers to provide inputs to the development of the National Strategy on Gender Equality (17 June 2010). The preparation has started to set-up a network of media practitioners reporting on gender equality. The capacity building support including training on women's rights and life skills to the grassroots network of DV victims has also started.</li> <li>• JP continues to support the development of the National Strategy for Gender Equality and the National Target Programme on Gender Equality. JPGE supports the development of the Viet Nam Socio-Economic Development Plan 2011-2015, and the development of the One Plan 2012-2016 through Gender PCG.</li> <li>• The Government issued the Communication Plan on GEL on 13 May 2010 and JP is supporting its implementation.</li> <li>• The Governmental Programme of Action for the period to 2020 on implementation of the Resolution No.11-Q/TW dated 27th April 2007 of the Political Bureau on the work for women in the period of accelerating industrialization and modernization of the country issued on 1 December 2009. Under the JP, the information on this resolution and other related legal</li> </ul>																																				

documents were disseminated at a press conference.

- MOLISA took lead as co-chair together with UN in reviewing progress and achievements on gender work in 2009 in Vietnam (Gender Programme Coordination Group (PCG)). The semi-annual conference was dedicated to organize a consultation workshop on the upcoming National Strategy on Gender Equality. MOLISA has been coordinating with various stakeholders in the process of finalizing the National Strategy on Gender Equality.
- Various surveys and studies implemented with JPGE support: National Survey on Women's Health and Life Experience, Enterprise Survey, Rural and Agricultural Survey, Compilation of data on children and gender equality to meet requirements of national and international commitment, studies on ethnic minority women's access to legal services, situation of sex workers, and gender and remittances.
